**Detailed Action**

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 29 is rejected under 35 U.S.C. 102(b) as being clearly anticipated by Wallberg.

See figure 1, element 21.

Applicants' position regarding Wallberg has been carefully considered but is not deemed persuasive since 21 of Wallberg moves approximately perpendicular with the horizontal plane.

3. Claims 1-27 and 29 are allowed.

4. Any inquiry concerning this communication should be directed to D. Underwood at telephone number (703) 308-1113.
